

## Excellence in Growth

Recognising financial growth, people growth and market growth – all important to achieving sustainable consistent growth over the long term. This category will recognise businesses by company size: small-medium (up to \$10m in annual turnover) and medium-large (above \$10m in annual turnover)

When did the company begin operations in Australia?

List your company size category: small-medium or medium-large.

1. Provide financial information for the last three years (in AUD), specifically Revenue, Gross profit, and Net profit, for each of the most recent financial years. (30 points)
2. Provide counts of the total number of full-time and part-time employees over the three-year period, for each year. (20 points)
3. Provide the demonstration of market growth over the past three years, which can account for adaptability of business to events such as COVID-19. (30 points)
4. Tell us about the reason for the growth, and also what the growth has allowed the organisation to do, do differently, improve or change. (20 points)
